SPOTLIGHT

1960 *Spotlight*

Presented by the
Senior Class of
PLEASANT MILLS HIGH SCHOOL
Pleasant Mills, Indiana

Dedication

There are no two people more important in our lives than our Mother and Dad. Our lives are placed in their hands when we are born and there we remain all during the formative years of our lives. Their best years are devoted to providing for our material and spiritual needs and to seeing that we grow up to be worth-while citizens. Regretful as it may be, we do not often stop to think of the many things which they sacrifice so we can have more.

For all of this, Mom and Dad, we are extremely grateful. To try to show you in some small way just how grateful we are, we dedicate this 1960 Spotlight to you, our two most important friends.

IN

MEMORY

OF

MRS.

HELEN

EHRSAM

The student body and faculty members wish to express their appreciation of Mrs. Helen Ehrsam, who died recently, for the work she accomplished over the past five years. Because of loyalty and love for the school and students, we wish to commemorate this annual in her honor. The following musical groups have been active under her direction: chorus, choir, junior and senior band, boys' quartet, girls' quartet, girls' trio, vocal and instrumental ensembles. All of these plus the twirlers have been entered in various contests and have won high ratings. Mrs. Ehrsam was co-sponsor of the senior class and helped in Bible club work. Pleasant Mills will always be indebted to Mrs. Ehrsam for her many accomplishments.

The memory of every student is etched deeply in a teacher's mind and we often wonder if the opportunities of one's "Golden School Days" were taken advantage of fully. Just before graduation, an unusual, but potent feeling of sentimentality grasps each student and there is an ardent desire to stay in school and make up for what he has missed; to enjoy his friendships more; to satisfy his curiosity for learning and to develop the basic principles of life so that he can live better with and for his fellow men. Try in every way to make the world a little better for your contemporaries for posterity.
